

pH cards produce a select range of cards suitable for just about every occasion, from Anniversaries to Zen ceremonies, and everywhere in between.

From photographs of beautiful flowers, to images of hand thrown ceramic pots, to swatches of tartan there is a wealth of ideas to please everyone.

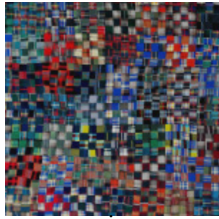

Cards are blank inside, except the Christmas cards.

Each card is approximately 148mm square, supplied with white envelope and cello wrapped, all the cards are printed in England on a quality stock card, FSC certified.
